PART III - MEMBER'S COMMENTS

AFIT Priority: 1. OCYY, 2. 1AUY
 - As my first choice, I would be honored to be selected to attend AFIT and use an AFIT degree to lead my fellow communicators into the next generation of communications and computer systems, either in Info Ops or traditional mission areas
 - If not selected for AFIT, I would be equally honored to be given the opportunity to attend USMC Expeditionary Warfare School as it provides the perfect curriculum to nurture dedicated warfighters and develop competent leaders to serve our AF / nation
 - The insight I hope to gain at AFIT will pave the way for improvements to AF communications & our contribution to the DoD
 -- Designing and developing future communications systems to better meet the ever-changing communications needs of the AF
 -- Employing advanced communications technologies and security techniques ensuring the AF maintains information superiority
 - My goal at USMC EWS is to help increase combat effectiveness by integrating information operations (IO) with the traditional missions of our combat, mobility, and space forces by delivering critical IO combat targeting data to warfighters worldwide
 - After graduating from AFIT / USMC EWS, I'd be honored to go anywhere the AF needs me...service before self...all the way!
 - I'm looking forward to a great career as an AF officer & leader. Send me to AFIT or USMC EWS...you won't be disappointed!

PART IV - COMMANDER'S/SUPERVISOR'S RECOMMENDATION (MANDATORY)

REMARKS:
 - Lt Bag O. Doughnuts is a phenomenal officer--my executive officer with keen motivation and dedication to our mission!
 - Dynamic leader--my #1 choice to fill in for any of my Flt/CC positions...I trust him with responsibilities far beyond his peers
 -- Lauded by MAJCOM/SC for flawless operations and maintenance support during latest roll-out of newfangled thingamajig
 -- 999th Mission Support Group CGOQ for 4th Quarter, 2001...selected ahead of 4 officers far more senior to him in rank
 - Technical wizard--#1 graduate of Basic Comm Officer Training (#1 of 225)--Suma Cum Laude in Bachelor's Degree (3.8 GPA)
 - Installed over 40,000 feet of network cabling, 2 switches, 7 hubs, and 150 computers--saved the government over \$100,000
 - Converted 1,000 MAJCOM paper tests to computerized tests...centralized test administration...saved 100 man-hours annually
 - I can count on him to volunteer for and take on even the most difficult tasks and duties--he gives 110% every day in every way
 - Leaves every single one of his peers in the dust; Superior Performer during 2001 Inspection--leaps tall buildings in single bound!
 - He's a proven leader...I know he can lead our Air Force in the new millenium--Officer Training School Distinguished Graduate
 - There's no one I would recommend more highly for selection to AFIT / USMC EWS ...a loss to my unit, but gain for AF!
