PART ONE

GENERAL GUIDANCE FOR STUDY REFERENCES

This catalog identifies study references for enlisted personnel preparing for Promotion Fitness Examinations (PFEs) and Specialty Knowledge Tests (SKTs) under WAPS, as well as for the United States Air Force Supervisory Examinations (USAFSEs) under the Senior NCO Promotion Program.

1. What the WAPS Catalog Covers: This edition lists study references for the following promotion cycles and test administration periods:

- a. 04E9, promotion to Chief Master Sergeant (CMSgt), 7 – 10 September 2004
- b. 05E8, promotion to Senior Master Sergeant (SMSgt), 6 – 17 December 2004
- c. 05E6 and 05E7, promotion to Technical Sergeant (TSgt) and Master Sergeant (MSgt), 15 February - 31 March 2005
- d. 05E5, promotion to Staff Sergeant (SSgt), 1 - 31 May 2005

2. Use of the WAPS Catalog:

- a. The study references are listed in numerical sequence by Air Force Personnel Test (AFPT) number for each SKT, PFE, and USAFSE. Each set of study references is listed under the AFPT number, edition date, and promotion cycle. The set of study references for each AFPT is separated from other AFPTs by a dashed line. Part Three, Section I, lists those PFE and USAFSE study references for promotion to SSgt, TSgt, MSgt, SMSgt, and CMSgt; Part Three, Section II, lists those SKT study references for promotion to TSgt and MSgt; and Part Three, Section III, lists those SKT study references for promotion to SSgt.
- b. For study references that are Career Development Courses (CDCs) or Specialized Courses (SCs), components and dates are shown.
- c. For study references other than CDCs or SCs, consider amendments, revisions, and changes a part of the basic reference. When publications are superseded or replaced, regard the later-dated publication as the study reference unless this catalog indicates otherwise.

3. Study Guidance for WAPS Tests:

- a. PFEs for promotion to SSgt, TSgt, and MSgt are based on the required military knowledge listed in the Table of Contents in AFPAM 36-2241, Volume 1, *Promotion Fitness Examination Study Guide*. PFE questions are based solely on the PFE study guide. The bound paper copy of AFPAM 36-2241, Volume 1, distributed by Air Force Publishing is the only official reference; the electronic file found on the Air Force Publishing Web site is not the official reference.
- b. The SKT is designed to sample an individual's knowledge of his/her entire Air Force specialty versus knowledge of a specific job. The SKTs sample knowledge of specialty training standard (STS) subject-matter areas judged by test development team members to be most appropriate for promotion to higher grades. SKT questions are based primarily on CDCs when they are available. However, questions will be drawn from other references listed when no CDC

exists or when the existing CDC requires additional references to ensure currency and completeness of coverage.

c. CDCs for SKT study will be issued to individual examinees (see Part Two). Other study references listed should be available in the work area. AFI 36-2605, *Air Force Military Personnel Testing System*, outlines individual responsibilities.

4. Study Guidance for USAFSEs: USAFSEs for promotion to SMSgt and CMSgt are based on the required military knowledge listed in the Table of Contents in AFPAM 36-2241, Volume 1, *Promotion Fitness Examination Study Guide*, and AFPAM 36-2241, Volume 2, *USAF Supervisory Examination Study Guide*. USAFSE questions are based solely on both the PFE and USAFSE study guides. The bound paper copies of AFPAM 36-2241, Volumes 1 and 2, distributed by Air Force Publishing are the only official references; the electronic files found on the Air Force Publishing Web site are not the official references.

5. Procurement of Non-Air Force Documents Required for Study in Preparation for SKT Testing:

a. The STS provides the procurement source for non-Air Force publications. Refer to AFI 36-2605 for steps to take if study reference material cannot be obtained to support preparation for testing.

b. Commercial technical reference books should be ordered in accordance with AFI 34-270, *Air Force Library and Information System (AFLIS)*.

c. Commercial medical reference books will be ordered from the medical library using medical treatment facility funds.

6. Test Security: Examinees must be aware that any unauthorized discussion, disclosure, or possession of Controlled Test Material information is a compromise of test material and a violation of directives and is punishable under Article 92, Uniform Code of Military Justice. AFI 36-2605 explains what constitutes a compromise of test material.

7. Points of Contact (POCs): If an individual cannot first resolve a question and/or concern through the unit WAPS monitor or base WAPS monitor, the individual may then contact one of the following POCs:

<u>POC</u>	<u>DSN</u>	<u>AREA</u>
AFIADL/ECOW	596-4255/4394	Nonreceipt of WAPS CDCs; replacement of CDC material

PART TWO

ISSUE PROCEDURES

Introduction

The Air Force recognizes that preparation for promotion testing is an important endeavor for members striving for career advancement. In 1993, senior Air Force leadership made a commitment to provide a personal set of WAPS CDCs to each enlisted member competing for promotion. This part of the WAPS Catalog explains the processes and procedures used to distribute WAPS CDCs.

During the initial implementation in 1994, all eligible members received a complete new set of CDCs. Subsequently, the Air Force Institute for Advanced Distributed Learning (AFIADL) shipped WAPS CDCs to first-time eligibles and those individuals whose previously issued CDCs were changed or supplemented. In 2004, AFIADL will ship an initial set of WAPS CDCs to first-time eligible members and new or supplemented CDCs to those whose previously issued CDCs have changed.

The WAPS CDC Distribution Process

Description	Mailing WAPS CDCs to nearly 90,000 eligible members throughout the world is a lengthy, yet time-sensitive task. The process begins when the final tests for the cycle are developed at the Air Force Occupational Measurement Squadron. Each eligible member is only authorized one “Initial” issue per rank/grade. Members are personally responsible to review the WAPS Catalog each year for current study reference material requirements.
--------------------	--

The Process

General Guidance

Introduction

Although the distribution of WAPS CDCs is primarily an automated process, eligible members and base and unit WAPS monitors play key roles in ensuring the system functions properly. It is important for everyone involved in the process to understand the program and to know his or her roles and responsibilities. Commanders, MPF commanders, and base and unit WAPS monitors should ensure all members are aware of the WAPS study reference distribution policy and procedures. Ultimately, the responsibility for obtaining the required study references still rests with the eligible member.

Responsibilities

Eligible members are responsible for:

- knowing when they're eligible for promotion,
- personally reviewing the WAPS Catalog to identify reference requirements,
- ensuring they obtain and study the correct references,
- promptly (before the start of the testing cycle) contacting their WAPS monitor when WAPS CDCs are not received or are incorrect,
- maintaining the issued material until it is superseded or no longer needed, fully justifying their request to the unit commander for a re-issue if no follow-up action is taken on nonreceipt or they did not maintain the previously issued material,
- ensuring they receive at least 60 days' access to the required references,
- being prepared to test on the first day of the cycle.

Base WAPS monitors are responsible for:

- understanding how the WAPS CDC distribution process works and training unit WAPS monitors on the proper use of the WAPS Catalog prior to distribution,
- assisting unit WAPS monitors in clearing rejected transactions.

General Guidance, continued

Unit WAPS monitors are responsible for:

- ensuring the unit mailing address is correctly reflected in MilPDS under Update Local Tables option “MPF_PAS_ADMIN” (contact Personnel Systems Manager to confirm address),
- understanding how the WAPS CDC distribution process works,
- publicizing Internet publication of the WAPS Catalog,
- promptly assisting unit personnel in obtaining the needed study references, including non-CDC references, such as AFIs or TOs,
- seeking assistance from the base WAPS monitor, AFIADL, and AFPC to resolve issues of nonreceipt or correctness of shipments received,
- ensuring members sign the WAPS CDC Receipt RIP when they receive their CDCs,
- clearing rejected transactions.

Unit Commanders are responsible for:

- appointing a unit WAPS monitor by memorandum and forwarding an information copy to the base WAPS monitor,
- publicizing the WAPS study reference program,
- reviewing and justifying requests for re-issue of WAPS CDC material. Forward requests to AFIADL who will evaluate on a case-by-case basis. Individuals without valid justification will be required to purchase replacement material at their own expense for a nominal cost of \$20.

Military Personnel Flight (MPF) Commanders are responsible for:

- appointing one or more base WAPS monitors to coordinate and manage the WAPS program,
- before each testing cycle begins, publicizing through various base media the WAPS CDC issue procedures as outlined in this catalog.

Obtaining Classified CDCs

Classified WAPS reference materials for personnel in the Intelligence specialties are ordered separately from Goodfellow AFB TX. These materials require special procedures. Please contact 17 TRSS/TSRP, 170 Griffin St, Goodfellow AFB TX 76908-4211, DSN 477-4094, to order CDCs controlled by Goodfellow AFB.

General Guidance, continued

Non-CDC Reference Material	Reference libraries must be established for non-CDC study materials at base, unit, or functional level. The unit WAPS monitor must ensure these materials, which may consist of AFIs, AFMANs, TOs, or commercial publications, are available on a 1:5 ratio. Members may ask their unit WAPS monitor to order any study reference, other than AFPAM 36-2241, not locally available.

WAPS CDC Eligibility Requirements

Introduction

The PDS automatically orders WAPS CDCs for members who meet the basic eligibility criteria for promotion. Basic eligibility criteria consider time-in-grade, projected separation and retirement dates, and High Year of Tenure. Members who become eligible after the ordering process has begun must request WAPS CDCs through their unit WAPS monitors.

Eligibility Requirements

Use the table below to determine eligibility for WAPS CDCs for A1C, SrA, SSgts, and TSgts.

Note: Do not confuse this with promotion eligibility found in AFI 36-2502.

If member's grade is...	THEN...
A1C	<ul style="list-style-type: none"> Date of Rank must be on or before 1 Oct 02, or... Date of Rank must be on or before 1 Jun 03 and Total Active Federal Military Service must be on or before 1 Feb 02.
SrA	<ul style="list-style-type: none"> Date of Rank must be on or before 1 Feb 05, and... High Year of Tenure must be on or after Sep 05.
SSgt	<ul style="list-style-type: none"> Date of Rank must be on or before 1 Aug 03, and... Projected Date of Retirement (See Note) must be on or after 1 Aug 05, and... High Year of Tenure must be on or after Jul 05.
TSgt	<ul style="list-style-type: none"> Date of Rank must be on or before 1 Jul 03, and... Projected Date of Retirement (See Note) must be on or after 1 Aug 05, and... High Year of Tenure must be on or after Jul 05.

Note: Members with a **projected** voluntary separation date remain eligible for promotion. Members with mandatory DOS driven by HYT are ineligible based on HYT date provided in the table above. Individuals with a **projected** retirement date are ineligible for promotion based on the projected retirement date listed in the table above.

When WAPS CDCs Are Not Received

Introduction

WAPS CDCs should arrive within 6 to 8 weeks after shipment from AFIADL. Members who have not received their CDC materials within 8 weeks must contact their unit WAPS monitors for assistance in obtaining a replacement set. Failure to follow up in a timely fashion (before the start of the testing cycle) will require justification through the unit commander as to the reason why the member did not follow up. Requests will be evaluated by AFIADL on a case-by-case basis, and members without valid justification will be required to purchase replacement material at their own expense for a nominal cost of \$20.

What To Do

Unit WAPS monitors follow the steps in the table below when WAPS CDCs are not received.

Step	Action	
1	Query PC-III using the “WAPS CDC Inquiry” Screen in the Career Enhancement/Promotions and Testing function application to determine the status of the member’s order.	
2	Use the table below to determine your next step.	
If the PC-III inquiry...	THEN...	
is blank	<ul style="list-style-type: none"> • verify member’s eligibility using the table on Page 8 of the WAPS Catalog. • check Part Three of the WAPS Catalog to ensure member’s AFSC is not SKT-exempt. • go to Step 4. 	
shows CDCs were requested and processed by AFIADL	<ul style="list-style-type: none"> • check the process date <ul style="list-style-type: none"> • if CDCs were mailed within the last 8 weeks, wait for the material to arrive. • if CDCs were mailed at least 8 weeks ago and have not arrived, go to Step 5. 	

When WAPS CDCs Are Not Received, Continued

What To Do (continued)

	If the PC-III inquiry... shows CDCs were requested but <u>not</u> processed by AFIADL	THEN... go to Step 3.	
3	Contact AFIADL at DSN 596-4255/4394 (FAX: DSN 596-4996/3208) to determine status of member's order.		
4	Contact the base WAPS monitor to request material through MilPDS. DO NOT USE MilPDS WHEN MATERIALS WERE ACTUALLY SHIPPED BY AFIADL BUT NOT RECEIVED. FOR THESE, FOLLOW STEP 5.		
5	FAX an official memorandum signed by the unit commander to AFIADL. The memorandum must include: <ul style="list-style-type: none"> • Name • Rank • Date of Rank • SSAN • Control AFSC • AFPT that corresponds to Control AFSC (as shown in the WAPS Catalog, Part Three) • Type of issue (initial or updated material) • Statement indicating promotion eligibility was verified • Reason for the request • Unit mailing address (3-line with ZIP+4) where material is to be mailed <ul style="list-style-type: none"> • Example: 123 MSS/CCQ 1234 A STREET EAST STE 112 RANDOLPH AFB TX 78150-4712 • Point of contact and telephone number and e-mail address 		

Requests for reshipment of WAPS CDCs must be sent to AFIADL as soon as possible. AFIADL will cease shipment of replacement material on 31 March 2005 for SSgts and TSgts, and on 31 May 2005 for SrA.

When WAPS CDCs Require Replacement

Introduction Air Force members who are issued WAPS CDCs are required to maintain these materials until they are superseded or no longer needed. When the material is unusable or unavailable through no fault of the member, the unit commander may request replacement material from AFIADL.

What To Do To request replacement of material, the unit WAPS monitor may fax an official memorandum signed by the unit commander to AFIADL/ECOW, DSN 596-4996/3208. If fax is not available, mail the request to AFIADL/ECOW, 50 South Turner Blvd, Maxwell AFB-Gunter Annex AL 36118-5643. The memorandum must include:

- Name
- Rank
- Date of Rank
- SSAN
- Control AFSC
- Statement indicating promotion eligibility was verified
- Reason for the request
- Complete mailing address
- Point of contact and telephone number and e-mail address

Requests for replacement of WAPS CDCs must be sent to AFIADL as soon as possible. AFIADL will cease shipment of replacement material on 31 March 2005 for SSgts and TSgts, and on 31 May 2005 for SrA. WAPS CDCs requested after these cutoff dates must be purchased by the member.

Purchasing WAPS CDCs

Introduction When WAPS CDCs are unusable or unavailable due to the member's negligence, the member may purchase a set of replacement materials for \$20. AFIADL does not refund money received for the purchase of WAPS CDCs.

How To Purchase WAPS CDCs To purchase WAPS CDCs, the member must send a cashier's check or money order payable to "DDO 3801" to AFIADL/DMS, 50 South Turner Blvd, Maxwell AFB-Gunter Annex AL 36118-5643. The request must include:

- Name
- Rank
- Date of Rank
- Control AFSC
- Complete home mailing address to include 4-digit zip code extension
- Telephone number
- Statement: "This is a WAPS purchase."

Requests for purchase of WAPS CDCs must be sent to AFIADL no earlier than 1 October 2004 and no later than 15 June 2005.

Procedures for PCS, Separation, and Below-the-Zone Promotions

Introduction

To accommodate members who are making a PCS move during the distribution window, the PDS uses the following logic to determine where to send the individual's WAPS CDCs.

If the member's PCS departure date is ...	THEN AFIADL sends the WAPS CDCs to...
prior to 1 Nov 04	the member's gaining MPF.
1 Nov 04 or later	the member's losing commander's support staff.

Forwarding WAPS CDCs

If WAPS material arrives at the losing unit and the member has already departed PCS, the unit WAPS monitor must forward the material and associated status and receipt RIPs to the member's gaining unit. Forwarded CDCs must be repackaged per postal regulations. Simply correcting the address on the original package will result in CDCs being returned to AFIADL rather than going to member. **DO NOT RETURN WAPS CDCs TO AFIADL.** If unsure of the gaining unit's mailing address, contact the MPF Personnel Relocations office.

When the Member Separates

If WAPS material arrives for a member who has separated, retain the CDCs for use by an eligible member awaiting receipt of his/her CDCs from AFIADL.

Below-the-Zone Promotions

Because the automatic WAPS CDC distribution process begins in the summer preceding the actual testing cycles, an automatic order is not output on otherwise ineligible A1C who are subsequently promoted to SrA BTZ.

Unit WAPS monitors follow the steps in the table below when an A1C is selected for SrA BTZ.

Procedures for PCS, Separation, and Below-the-Zone Promotions, Continued

Below-the-Zone Promotions (continued)

Step	Action							
1	Query PC-III using the “WAPS CDC Inquiry” Screen in the Career Enhancement/Promotions and Testing function application to determine if an order for WAPS CDCs has already been submitted on the member.

Requesting WAPS CDCs Through the Personnel Data System (PDS)

Introduction

Although PDS automatically requests WAPS CDCs on eligible members, there will be circumstances where the automated routine does not identify members needing material. To facilitate ordering WAPS CDCs on these individuals, material can be requested using MilPDS. MilPDS can be used until 30 Jan 05. Even though MilPDS will still update after 30 Jan 05, the order will not be processed. After 30 Jan 05, fax requests for material to AFIADL as explained on page 13.

How To Update MilPDS

Steps:

1. Go to Customer Service
 2. Go to Career Enhancement
 3. Go to Promotions and Testing
 4. Go to WAPS Study Ref Ordering
 5. Enter F7 and input SSN
 6. Enter F8 to retrieve record
 7. Click on WAPS Ref Order box
 8. Click on Details
 9. Update WAPS Issue Indicator
 10. Click on OK
 11. Save transaction
-

When To Use MilPDS

Use MilPDS to request WAPS CDCs under the following scenarios:

- Member becomes eligible for WAPS CDCs as a result of BTZ promotion to SrA
 - Member is reassigned from special duty to an AFSC requiring WAPS CDCs
 - Automated request rejects because of missing or incomplete data (see below)
 - **DO NOT USE MilPDS TO REQUEST RE-SEND OF MATERIAL**
(i.e., MilPDS indicates AFIADL shipped material but member states materials were not received)
-

Requesting WAPS CDCs Through the Personnel Data System (PDS), Continued

Rejected Requests	Requests for CDC material that cannot be processed because of missing or incomplete data are sent back to the unit WAPS monitor for resolution. In these cases, PDS provides a WAPS CDC Error RIP identifying the transaction that rejected and the reason for the reject. The unit WAPS monitor contacts the base WAPS monitor for assistance in correcting the reject (e.g., correcting the CAFSC, etc.). Once the reason for the reject has been corrected, the base WAPS monitor will assist the unit WAPS monitor in resubmitting the order using MilPDS.

Notification of WAPS CDC Orders The unit WAPS monitor receives a summarized listing of unit personnel for whom an electronic order has been output. The unit WAPS monitor uses the listing as a management tool. When individuals receipt for their WAPS CDCs, they must also initial the summary list. The unit WAPS monitor retains the listing in the unit files for future verification of receipt. The following is an example of the WAPS CDC Order Notification RIP:

Informational Handout

In 1994, the Air Force implemented a new distribution process for WAPS Career Development Course (CDC) study reference materials. The system provides a personal set of CDCs to members who are eligible for promotion under WAPS and require CDC study reference material. CDCs no longer have to be shared among members in a unit.

In August each year, the Personnel Data System identifies members meeting the basic eligibility criteria for the next year's promotion cycle and their CDC requirements. The Air Force Institute for Advanced Distributed Learning (AFIADL) then uses this information to generate shipping transactions. Note: AFIADL prints and distributes CDCs. AFIADL processes the orders and mails the CDCs to each member's unit. Unit WAPS monitors distribute the CDCs to the individual members.

Each year, an initial issue of CDCs is provided to members when they become eligible for promotion to the next higher grade for the first time. This is referred to as an initial issue. After the initial issue, members only receive changes to previously issued material if changes were made. For example, if a new volume or supplement is printed, this new material is sent to the member to add to the previous year's material. Individuals must maintain their issued CDC materials for next year's testing until superseded or no longer needed.

Members receive notification of the status of their CDC orders. They get two different reports on individual personnel (RIP). One advises them whether material was ordered or if the previously issued material is current. The other will provide the date AFIADL processed the order. Members also sign a receipt RIP acknowledging receipt of their materials and the requirement to maintain the CDCs until superseded or no longer needed. Unit commanders may request replacement material from AFIADL for members if they lose or destroy their CDCs due to reasons beyond their control. Individuals who lose or fail to follow up on obtaining their CDCs through their own negligence can purchase a set of replacement material from AFIADL for \$20. **Each member is responsible for promptly (before the testing cycle) following up with the unit WAPS monitor when materials are not received or are incorrect.**

Remember, it is your personal responsibility to ensure you obtain the study references you need to prepare for promotion testing. You must check the WAPS Catalog every year to ensure currency of all required study reference material. The automated distribution system is only for CDCs. Other study reference material requirements such as AFIs or TOs will be listed in the WAPS Catalog. Unit WAPS monitors are responsible for ordering and maintaining these references for unit members.
