

PERSONNEL / PAYROLL INTERFACE WORKAROUND

CPMS CONTROL NUMBER: 02-0014

ISSUE DATE: 15-Nov-02
RESCIND DATE: 7-Feb-2003

PR/DAR NO:
REMEDY NO: 9925

PROBLEM : **PERSONNEL** **PAYROLL**
 LEGACY **MODERN**
 BOTH

DCPDS produces incomplete/erroneous PAY500 formats for Local National Records in Cuba. This problem affects ONLY Navy records as they are the only Local National employees paid by DCPS. Several of the data fields required in the PAY500 are not applicable to LN records and do not exist in that record type in DCPDS. Requirements have been submitted, CRT CPMS-052-11/15/2002, to default values to the PAY500 format for non-applicable data fields. Corrective action has been defined for Remedy 9925.

This form replaces 02-0011 being rescinded this date.

WORKAROUND: **PERSONNEL** **PAYROLL**

Payroll Regeneration will be required for EACH PAY500 format produced for Cuba LN records until both the CRT requirements and Remedy ticket resolution are fielded. The workaround attachment document included with this form provides the information needed to accomplish successful regeneration of the actions.
