PROBLEM : **PERSONNEL** **PAYROLL**

P.L. 107-304 allows employees to contribute to TSP Catch Up any time during the year in which they are 50 or older. Employees who are 49 in the current year may elect to enroll in TSP Catch Up for contributions to begin in the following year during which they will be 50. Current DCPDS code will not allow enrollments with effective dates of 12/14/2003 or 12/28/2003 until the year the employee turns 50.

WORKAROUND: **PERSONNEL** **PAYROLL**

There is NO systemic process that will accomplish the action properly. HR user will fax the TSP Catch Up Document to the servicing payroll center.

Payroll technicians will manually enter the affected data fields to ensure TSP Catch Up Contributions begin as they should.
